

Stand Up And Shout

Dio

It's the same old song
You've gotta be somewhere at sometime
They never let you flyIt's like broken glass
You get cut before you see it
So open up your eyesYou've got desire
So let it out!
You've got the power
Stand up and shout!
Shout!Stand up and shout!You've got wings of steel
But they never really move you
You only seem to crawlYou've been nailed to the wheel
But never really turning
You know you've got to want it allYou've got desire
So let it out!
You've got the power
Stand up and shout!
Shout!Stand up and shout!
Let it out!You are the strongest chain
And not just some reflection
So never hide againYou are the driver
You own the road
You are the fire
Go on explode!You've got desire
So let it out!
You've got the power...
Stand up and shout!Stand up and shout!
Let it out!Stand up and shout...
