

# Opinion Overload

## Simple Plan

So you think you got me figured out  
Why don't you go ahead and tell me what I'm all about  
You know I'm dying to hear it  
I'm getting sick of all the sticks and stones you throw  
Now it feels like it's an opinion overload  
I can take it but but I'd rather leave it Get out of my face  
Quit bringing' me down  
I don't care what you say So part of that about that don't you understand?  
Hey!  
I'm doing things exactly like I want to  
What part of that that don't understand?  
Hey!  
And I don't give a damn if you don't approve  
What part of that that don't you understand?  
Hey! You're so tough, you throw punches with your words  
You think you're clever, let me tell you you're not the first  
Say something I haven't heard yet  
You're disrespectful, always quick to judge  
I'm kinda wondering if you're doing it just because  
It must be nice being perfect Get out of my face  
Quit bringing me down  
I don't care what you say So part of that about that don't you understand?  
Hey!  
I'm doing things exactly like I want to  
What part of that that don't understand?  
Hey!  
And I don't give a damn if you don't approve  
What part of that that don't you understand?  
Hey! I won't apologize  
For what I feel inside  
I won't be pushed around  
I won't be backing down  
Not doing what you say  
I'll never change my ways  
Get out of my face Hey!  
I'm doing things exactly like I want to  
What part of that that don't understand?  
Hey!  
And I don't give a damn if you don't approve

What part of that that don't you understand?  
Hey!(I won't apologize for what I feel inside)  
What part of that that don't you understand?  
Hey!  
(Not doing what you say, I'll never change my ways)  
What part of that that don't you understand?
