Feed My Head

Dio

Feed my head
Hiding in a corner
Waiting for the storm
Maybe they'll forget about me
Avoid connection
Still they say you always surrender
All the smiling faces
Promising the sun
Another way of breaking you down
All is lost, hope is dead
Feed my mind, fill my head
Hope is gone, the spell's been said
Fill my mind, feed my head
Waiting for my number
To climb upon the cross
Maybe they'll forget about me
Must avoid detection
But they say you'll still go down
Safe in dreams
Away from where they are
Let me be nowhere

Just another star
Safe in night
The shadows cloak their eyes
Take me to nowhere
Where everybody flies
All is lost, hope is dead
Feed my mind, fill my head
Hope is gone, the spell's been said
Fill my mind, feed my head
All is lost, hope is dead
Feed my mind, fill my head
Hope is gone, the spell's been said
Fill my mind, feed my head
All is lost, hope is dead
Feed my mind, fill my head
Hope is gone, the spell's been said
Fill my mind, feed my head

All is lost, hope is dead
Feed my mind
