I Will Survive

I WILL SURVIVE - GEORGE GAGLIARDI/CYNTHIA CLAWSON

Looking ahead is just a little bit easier
When you look at where youâ€™ve been
I can believe that we can move mountains
For youâ€™ve carried me through every valley I knew
If it wasnâ€™t for you, I donâ€™t know where Iâ€™d be
I just know that for me
I can rest in your promise of love

I will survive, I am alive
I stand beside the crucified one
I can go on, I will be strong
For my strength to live is not my own
I will survive

Sometimes it seems the pain of life will take over me
And I fear Iâ€™ll lose again
But I realize to fight to the finish
That Iâ€™ll just lean on you
And that youâ€™ll pull me through
And the battle is already won

I will survive, I am alive
I stand beside the crucified one
I can go on, I will be strong
For my strength to live is not my own
I will survive
I am alive, I stand beside the crucified one
I can go on, I will be strong
For my strength to live is not my own
I will survive, I am alive
And with your love to guide me I know
That my past is far behind me
And your spirit still reminds me
Through the changes in my life
I will survive

Just like a flower in winterâ€™s snow
Waiting for spring

I face the darkness so cold and alone
Looking for light, waiting to sing
I want to sing!
I will survive, I am alive
I stand beside the crucified one
I can go on, I will be strong
For my strength to live is not my own
I will survive
I will survive
I will survive
