Cold Addiction

Day Of Fire

Cold addiction rising up inside
White lines cover the mirror
All the voices screaming in my mind
I wanna get out of here
Starring through a hole blind eyes ashamed
A blurry vision soul dying for change
Every minute fighting with myself a fiend again
The river of excuses I've been drowning in
Lost my head again like I want to
Cold addiction rising up inside
White lines cover the mirror
All the voices screaming in my mind
I wanna get out of here
Line by line I run from it all
The symptom of a full blown addict
So they say, push it to the limit
As life drip drips away, still I love your haze
I get lost in the daze and confusion
Cold addiction rising up inside
White lines cover the mirror
All the voices screaming in my mind
I wanna get out of here
Cold addiction racing through my veins
Enslave me to my fear
Premonition I see it all unwind
God, get me out of here
Line by line I run from it all
Run, run, run, run, yeah
Run, run, run, run, yeah, yeah
Cold addiction rising up inside
White lines cover the mirror
All the voices screaming in my mind
I wanna get out of here
Cold addiction racing through my veins
Enslave me to my fear
Premonition I see it all unwind
God, get me out of here
Cold addiction rising up inside
White lines cover the mirror

All the voices screaming in my mind
I wanna get out of here
Cold addiction racing through my veins
Enslave me to my fear
Premonition I see it all unwind
God, get me out of here
