On Again, Off Again

Sean Lennon

And just as the sun sets
Just as we will forget these precious moments
When another day is through
And just as the moon knows
It cannot always glow through every evening
Some days you will find me sleeping'Cause I'm on again and off again
I never told you, I never will
'Cause I'm on again and off again
If I can't hold you, somebody willLove is like the ocean
Forever in motion, forever changing
Never twice the same
You may miss me one day
You may wish you hadnt stayed
You may forget me
You may never let me go'Cause I'm on again and off again
I never told you, I never will
'Cause I'm on again and off again
If I can't hold you, somebody will
