Where's My Angel?

Metro Station

Angel so
"Break down
I can see you're upset,
So high.
But I couldn't help it.
I wish I could just forget you.
Up now,
Heart beats racing.
One touch,
Now I'm faking.
This time, there's no escaping you.Where's My Angel'
Go on and take my life.
Where's my angel'
I need someone here tonight.
Where's my angel'
Go on and take my life.
Where's my angel'
I need someone here tonight.So cold,
But you have my body.
One kiss,
And this is gonna haunt me.
My God,
You look so lovely girl.
Hearts gone,
Tonight is your chance,
You trade love,
For a little romance.
Too late, this will be the last dance, girl.Where's my angel'
Go on and take my life.
Where's my angel'
I need someone here tonight.
Where's my angel'
Go on and take my life.
Where's my angel'
I need someone here tonight.You say you want it,
You love me then thought it.
You're breaking my heart
& you're taking me down.You say you want it,
You love me then thought it.

You're breaking my heart
& you're taking me down.Break it down,
And live it up take this in and beat it up.Where's my angel'
Go on and take my life.
Where's my angel'
I need someone here tonight.
Where's my angel'
Go on and take my life.
Where's my angel'
I need someone here tonight.
