

# Crying

Kat Edmonson

Can't you find a reason not to end it all  
I've been coming up with ways to break your fall  
Now that I'm around  
I'll be sure you don't touch the ground  
Didn't you act??? eating from your hand  
Looking like a lady standing in the sand  
What was on your mind?  
What were doing there, killing time?  
I don't know where you go  
Whenever you leave  
But you're happier there  
I want to believe  
In my heart, my heart  
Where you stay, you stay  
I've been crying over you every day  
Born into a cage on Independence Day  
Feeling rage when nothing ever goes your way  
Barely getting by  
What would make a girl want to try?  
I don't know where you go  
Whenever you leave  
But you're happier there  
I want to believe  
In my heart, my heart  
Where you stay, you stay  
I've been crying over you every day  
and every night  
I try to find you  
Oh but I  
I don't know where you go  
Whenever you leave  
But you're happier there  
I've got to believe  
In my heart, my heart  
Where you stay, you stay  
I've been crying over you  
Crying over you  
I've been crying over you  
Every day
