

# Do You Mind? (Kyla cover)

## The xx

Tell me I need to know,  
where do you wanna go,  
cuz if you're down,  
I'll take it slow,  
make you lose controlBaby would you like,  
to spend the night,  
the whole night,  
and maybe if you play it right,  
you can be all mineDo you mind if I take you home tonight,  
stay another day,  
if that's okay,  
tell me baby,  
would you mind if I take you home with me,  
where no one can see,  
so don't be shy  
night, night, night, the whole night  
night, night, night, the whole nightBaby,  
I like your style,  
so lets get it on,  
when we touch,  
I can't get enough,  
I'm falling for youu,  
Honey would you like,  
to make love tonight,  
the whole night,  
and baby,  
if you play it right,  
you can be all mineDo you mind if I take you home tonight,  
stay another day,  
if that's ok,  
tell me baby,  
would you mind if I take you home with me,  
where no one can see,  
so don't be shy  
Night, night, night, the whole night  
Night, night, night, the whole nightDo you mind if i take you  
home tonight,  
(night, night, night, the whole night)  
stay another day,  
if that's ok,  
(night, night, night, the whole night)  
tell me baby,  
would you mind if i take you home with me,

where no one can see,  
(night, night, night, the whole night)  
so don't be shy,  
(night, night, night, the whole night)  
baby  
honey  
(night, night, night, the whole night)  
baby  
honey  
(night, night, night, the whole night)
