This Wasn't Supposed To Happen

Army Of Anyone

You said you'd never leave me
And yet there you go
Hey, this wasn't supposed to happen
And yet there you go
Right through the door, leaving me alone'Cause I wish you would be with me
For life and it's catastrophes
I just thought, together we'd stand
But now I'm looking for your handWhere are you?
'Cause all four walls are comin' down tonight
Where are you?
'Cause all four walls are comin' down tonightI guess I should have seen it
And now it's too late
Hey, this wasn't supposed to happen
And now it's too late
I hesitated, now you're leaving me alone'Cause I wish you would be with me
For life and its complexities
I just thought together we'd stand
And now I'm looking for your handWhere are you?
'Cause all four walls are comin' down tonight
Where are you?
'Cause all four walls are comin' down tonight
