

Monkey (Crew Jones Remix)

Low

Oh my my
Little white lie
I swear I'm gonna make it right this timeIt's like a radio
Turning way down low
Telling me things I do not know I knowTonight you will be mine
Tonight the monkey dies
Tonight you will be mine
Tonight the monkey diesNow who's to blame
We used to be the same
Now you won't let me speak your name, what a shameIt's a suicide
Shut up and drive
We're never gonna make the light but it's alright'cause tonight you will be mine
Tonight the monkey dies
Tonight you will be mine
Tonight the monkey diesTonight you will be mine
Tonight the monkey dies
Tonight you will be mine
Tonight the monkey diesOh, tonight you will be mine
Tonight the monkey dies
