

Caught Up In You

38 Special

I never knew there'd come a day
When I'd be sayin' to you
Don't let this good love slip away
Now that we know that it's true Don't, don't you know the kind of man I am
No, said I'd never fall in love again
But it's real and the feeling comes shinin' through I'm so caught up in you, little girl
And I never did suspect a thing
So caught up in you, little girl
That I never wanna get myself free
And baby it's true, you're the one
Who caught me, baby, you taught me
How good it could be It took so long to change my mind
I thought that love was a game
I played around enough to find
No two are ever the same You made me realize the love I'd missed
So hot, love I couldn't quite resist
When it's right, the light just comes shinin' through I'm so caught up in you, little girl
You're the one whose got me down on my knees
So caught up in you, little girl
That I never wanna get myself free
And baby it's true, you're the one
Who caught me, baby, you taught me
How good it could be Fill your days and your nights
No need to ever ask me twice, oh no
Whenever you want me And if ever, comes a day
When you should turn and walk away, oh no
I can't live without you I'm so caught up in you
Yeah, yeah, yeah And if ever, comes a day
When you should turn and walk away, oh no
I can't live without you I'm so caught up in you, little girl
You're the one that's got me down on my knees
So caught up in you, little girl
That I never wanna get myself free
And baby it's true, you're the one
Who caught me, baby, you taught me
How good it could be Little girl, you're the one that's got me down on my knees
So caught up in you, little girl
That I never wanna get myself free
And baby it's true, you're the one

Who's caught me and taught me
You got me so caught up in you
