Help Me Make It Through the Night

Johnny Cash

Take the ribbon from your hair
Shake it loose and let it fall
Layin' soft against your skin
Like the shadows on the wallCome and lay down by my side
Till the early mornin' light
All I'm askin' is your time
Help me make it through the nightI don't care who's right or wrong
I don't try to understand
I don't care about tomorrow
'Cause tonight I need a friendYesterday is dead and gone
And tomorrow's out of sight
Ain't it sad to be alone
Help me make it through the nightI don't care who's right or wrong
I don't try to understand
I don't care about tomorrow
June tonight I need a friendYesterday is dead and gone
And tomorrow's out of sight
Ain't it sad to be alone
Help me make it through the night
Ain't it sad to be alone
Help me make it through the night
