

Like I Am

Rascal Flatts

Lyin' here with you
I watch you while you sleep
The dawn is closin' in
With every breath you breathe I can feel the change
The change you made in me
But will I ever see
All the things you see in me When you say that I'm one of a kind
Baby, I don't see it, but you believe
That I'm so strong and true, I promise you
I'll try to be that kind of man
Because you love me like I am When it comes to love
I may not know the rules
But there's one thing I know
My heart belongs to you, just you When you say that I'm one of a kind
Baby, I don't see it, but you believe
That I'm so strong and true, I promise you
I'll try to be that kind of man
Because you love me like I am You show me, you love me
With a fire that burns deep inside When you say that I'm one of a kind
Baby, I don't see it, but you believe
(Woo ooo woh)
That I'm so strong and true, I promise you
(I am)
I'll try to be that kind of man
Because you love me like I am
(Woo ooo woh) You love me just like I am
(Baby, I don't see it, but you believe that)
I'm so strong and true, I promise you
I'll try to be that kind of man
Because you love me like I am I am
I'll never understand
I don't think, I'll ever understand
Why you love me?
Why you love me?
Just like I am
