Sexy Eyes

Party Starterz

Sexy eyes, they're so lovely
Sexy eyes, make me wanna love ya
Sexy eyes, girl, you're lookin' way cool tonight, ooh
Da da da da da, ya know I got the cognac
Da da da da da, and the phat bomb sack
Da da da da da, your sexy eyes got me hypnotized
Lady, come and take a ride with me
Shorty, do you know the time? All I wanna do is vibe
Put you on the suga rise, smilin' wit your pearly whites
Sexy eyes, sexy waist, sexy each and every day
When I put this thang up on ya, sexy mama wanna marry me
But hold up now, we just met, let me see how long you keep it wet
Hold it steady, already, baby girl, we done did dat
It's like a stairway to paradise when I look into your eyes
Mama very nice, and we can do all type of thangs
Rollin' in them whips and I like to swang
You know it's nothing to a trilla though your sexy eyes are so spiritual
Sexy eyes, they're so lovely
Sexy eyes, make me wanna love ya
Sexy eyes, girl you're lookin' way cool tonight, ooh
Da da da da da, ya know I got the cognac
Da da da da da, and the phat bomb sack
Da da da da da, your sexy eyes got me hypnotized
Lady, come and take a ride with me
The steelo so kamikaze, shrinin' like Liberachy
Spendin' like Burberry, me Issey Miyake
It's goin' down like gravity, yo baby, daddy mad at me
And I throw these things so handley
Cop me an assault and battery
She still wanna love me like a Playboy bunny
Lookin' like warm hunny, so classy and stunning
Faithfully, she waits for me, like the real ones really do
So gracefully she's made for me and you know that's on the cool
Girl, get your shine on like a candle in the wind
Gotta keep my mind strong when I'm hammerin' within
And one look is all it took, incredible thighs
And one look is all it took, incredible eyes
Sexy eyes, they're so lovely
Sexy eyes, make me wanna love ya

Sexy eyes, girl, you're lookin' way cool tonight, ooh
Da da da da da, ya know I got the cognac
Da da da da da, and the phat bomb sack
Da da da da da, your sexy eyes got me hypnotized
Lady, come and take a ride with me
Time don't wait for love and life don't wait for a break in the weather
It's time for me and you to hook up, let's get this thing together, ooh
Time don't wait for love and life don't wait for a break in the weather
It's time for me and you to hook up, let's get this thing together
Sexy eyes, they're so lovely
Sexy eyes, make me wanna love ya
Sexy eyes, girl, you're lookin' way cool tonight, ooh
Da da da da da, ya know I got the cognac
Da da da da da, and the phat bomb sack
Da da da da da, your sexy eyes got me hypnotized
Lady, come and take a ride with me
Sexy eyes, they're so lovely
Sexy eyes, make me wanna love ya
Sexy eyes, girl, you're lookin' way cool tonight, ooh
Da da da da da, ya know I got the cognac
Da da da da da, and the phat bomb sack
Da da da da da, your sexy eyes got me hypnotized
Lady, come and take a ride with me
Lady, come and take a ride with me
Lady, come and take a ride with me
