

Until The Real Thing Comes Along

Dominoes

I'd work for you, I'd slave for you
I'd be a beggar or a knave for you
If that isn't love, it will have to do
 Until the real thing comes along
I'd gladly move the earth for you
To prove my love, dear, and it's worth for you
 If that isn't love, it will have to do
 Until the real thing comes along
 With all the words, dear, at my command
 I just can't make you understand
I'll always love you, darling, come what may
 My heart is yours, what more can I say?
 I'd sigh for you, I'd cry for you
I'd tear the stars down from the sky for you
 If that isn't love, it will have to do
 Until the real thing comes along
I'll always love you, darling, come what may
 My heart is yours, what more can I say?
 I'd sigh for you, I'd cry for you
I'd tear the stars down from the sky for you
 If that isn't love, it will have to do
 Until the real thing comes along
 Until the real thing comes along
