

Magnificent (Ft. Kardinal Offishall)

Estelle

Don't tell me you love me if it ain't really true,
Don't tell me you love me just cause you in the mood,
This thing I had for you,
It's only for you my baby, I'll give it so swiftly if you start to act a fool.
So when you say that you love me do you really understand?
Cause lovin' ain't just about touchin' and holding hands. It's a spiritual thing that,
Really really hard so baby,
So don't gimme no lies if you really wanna be my man. [Chorus]
My love is so magnificent baby,
If you really real come take it.
My love is so magnificent baby,
If you really, if you really You ain't gonna be the one to tell me how much I'm worth,
Cause I pulled myself out up from under the dirt, You have got to believe me,
What I have don't come easy,
And if your ready like I'm ready then you gotta put in the work.
Now you know I'm the realist chick you've been waiting a while,
And I ain't dealin' with no Harvard boy cause he makes me smile, Cause you gotta step your game up,
This is what I call a wake cause,
You can take it to the left because I'll always be the style, [Chorus][x2]
you see that gyal they
her lovin is callin callin me
you see that gyal they
her lovin is callin me Kardinal passin' through
sweet from a sweet and a diamond for you
you have me life freeze with a sip a ya brew
look at how you actin' in your Gucci debut
Ya flava, you got it like nobody in ya crew
Who!? Them little chicken-heads i give them they due
They lovin' ain't really nothin' for me to pursue
We tried and true you'na see me Estelle tattoo [Chorus][x3]
If you really
If you really, if you really
If you really real come take it If you really, if you really, if you really
