In Between Lights

Ryan Cabrera

Hey there, it's nice to meet you
Happy to see you doing so well
Smiling in every picture
Not me, I feel like hellHey man, must be nice to be you
Tell me what it's like on the other side
What it's like on the other sideSomebody tell me how to get out of this one
I'm going down and I lost a piece of mind
Show me how to find my other life'Cause I'm in between lights
I just need another day
Yeah, I'm in between lights
Yeah, I know I'm on my way
I'm holding on, I see the sun
But I'm in between lights, I'm in between lightsStrangers crowd around me
Faces, flashes on lonely road
The good life passing over
Won't you save a little some for me?
Save a little some for me, yeahSomebody tell me how to get out of this one
I'm going down and I lost a piece of mind
Show me how to find my other life'Cause I'm in between lights
I just need another day
Yeah, I'm in between lights
Yeah, I know I'm on my way
I'm holding on, I see the sun
But I'm in between lights, I'm in between lightsI left my hand by the side of the road
Suitcase, ticket and I'm ready to go
Don't ask me where 'cause I don't know
I don't know, I don't knowThe feel's not bothering all time
The sky's getting bigger
Drinking in like wine
Maybe, just maybe we'll be alright'Cause I'm in between lights
I just need another day
Yeah, I'm in between lights
Yeah, I know I'm on my way
I'm holding on, I see the sun'Cause I'm in between lights
I just need another day
Yeah, I'm in between lights
Yeah, I know I'm on my way
I'm holding on, I see the sun
But I'm in between lights, I'm in between lights
