burning inside

Kentaro Kobayashi

Will these dreams still follow me
On of dark obscurity?
Can't you see it up in the sky
As it kicks you in the face and lets you dye
You never have the answers
And now you tell me the facts of life
I really couldn't be bothered with you
Get out of my face and watch me dieBurning inside! Burning inside!Absolution and a frozen room
Are dreams of men below
I try to grab it but the touch is hot
The mirrors collapses but the image can not
I'm scared of darkness in a light
I scare myself 'cause I know, I'm right
I see the evil in you're savage eye
As it cuts right through the skyBurning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!Calling the mantra with a blade in the skin
For the demons within
I feel the pain is the death and decay
But the lesson never fades away
Too little shadows turn it away
Another man through the window pane
Another slave and a victim of fate
Another lesson in hateBurning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
Burning inside! Burning inside!
