

# Swallow The Bottle

Travis Porter

[Interlude - Strap]"What you say?"

"I said I wanna do it now, I don't wanna wait 2 hours to get you home"

"You gone swallow the bottle?"

"What?"

"Hmm?"

"Am I gone swallow the bottle?"

"Um hmm"

"Where the bottle at?"

Bottles [6x]

Models [5x]

[Chorus]Pop bottles, take one of them hoes and tell em follow

Where the hell the waitress, tell her bring another bottle

Poured it in her mouth I said I wanna see you gargle

Then she answered back, guess what

I can swallow

She can swallow the whole bottle [4x]

[Verse 1 - Strap]She swallow the whole bottle

So that mean she a scholar

You [5x]

Yall follow us

If you drink champagne, watch the bottle bust

Nada [5x] you cant kiss me

Guala [3x] who don't got none

Bitch please

Gargle [3x]

Open up ya mouth, now let me see you swallow

[Chorus][Verse 2 - Quez]Say ahhhh

Bitch this ain't Trey Songz

Say ohhhh

Cuz we bout to get it on

She can swallow the whole bottle

She is freaky, she's a model

Her friend's geeky, but she swallows the whole bottle

The whole bottle

[Chorus][Verse 3 - Ali]Well I ordered her a shot and then she said she want a bottle

So she opened up her mouth and she went gobble gobble gobble

She swallowed the whole bottle

Thats crazy, thats amazing

She swallowed the whole bottle  
Her name is Stacy, she's only 18  
Like damn she so young, but she so fine fine fine  
She legal so I'll get it from behind hind hind  
Like damn think I'm running out of time time time  
Wait, can I think of one more line line line  
[Chorus]
