

# Flashlight

Hailee Steinfeld

When tomorrow comes  
I'll be on my own  
Feeling frightened of  
The things that I don't know  
When tomorrow comes  
Tomorrow comes  
Tomorrow comes And though the road is long  
I look up to the sky  
Darkness all around  
I wish that I could fly  
And I sing along, I sing along  
And I sing along I got all I need when I got you and I  
I look around me, and see a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
Can't stop my heart when you shinin' in my eyes  
Can't lie, it's a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night I see the shadows long beneath the mountain top  
I'm not afraid when the rain won't stop  
'Cause you light the way  
You light the way, you light the way I got all I need when I got you and I  
I look around me, and see a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
Can't stop my heart when you shinin' in my eyes  
I can't lie, it's a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night Light light light  
You're my flashlight, light, light  
And you can't deny  
It's a sweet life, life, oh I got all I need when I got you and I  
I look around me, and see a sweet life  
I'm stuck in the dark but you're my flashlight  
You're getting me, getting me through the night  
Can't stop my heart when you shinin' in my eyes  
I can't lie, it's a sweet life  
I'm stuck in the dark but you're my flashlight  
(You're my flashlight)

You're getting me, getting me through the night You're my flashlight

Light light

You're my flashlight

Light light ye-yeah You're my flashlight
