Overcome

Terror

Everything I loved left me
Everything I cared for died or changed
I've fallen, I failed
And I lost everything I fought to gain
Over - Overcome
Everytime you spit in my face
Over - Overcome
Add more weight! I won't break
Over - Overcome
Won't allow myself to be beat
Overcome, Overcome, rise back upBreak me down
I will rise back upAlways trouble surrounding me
But I've learned from past mistakes
I've seen true hate, felt real pain
Still there's nothing that can stop meBreak me down
I will rise back upI'll overcomeBest friends become strangers
True love it turns to hatred
Nothing you can do to me
Still something deep inside
Tells me to be free
