A Song About a Rabbit

Sicko

Good shot Peter
I hope you go far
cause there's a rabbit wearing coveralls playing in my front yardyou do the two step Peter
and you make it look good
cause there's a bear watching you from the edge of the hundred acre wood
(the bear, he said)Peterin a snow storm Peter
and two straight lines
holding hands yellow hat red hair her name was Madeline
(her name was Madeline)PeterI remember you Peter
and all of the rest
from the stories that a dreamy eyed baby boy loved the bestso in the moonlight Peter
where the wild things sleep
you and a boy in a wolf suit dancing by the side of the sea
(they said...)
