

# A Song About a Rabbit

## Sicko

Good shot Peter  
I hope you go far  
cause there's a rabbit wearing coveralls playing in my front yardyou do the two step Peter  
and you make it look good  
cause there's a bear watching you from the edge of the hundred acre wood  
(the bear, he said)Peterin a snow storm Peter  
and two straight lines  
holding hands yellow hat red hair her name was Madeline  
(her name was Madeline)PeterI remember you Peter  
and all of the rest  
from the stories that a dreamy eyed baby boy loved the bestso in the moonlight Peter  
where the wild things sleep  
you and a boy in a wolf suit dancing by the side of the sea  
(they said...)
