

# Dance Into The Night

## The View

Words are cheap and I love you's are free  
So unless you mean it, you don't spend them on me  
Don't look twice if you're keeping score  
'Cause heartaches are high priced and I've paid it before

Do me with love, don't do me wrong  
You know my heart's been broken too long  
And I've had one too many tears to fall  
So do me with love, do me with love  
Or don't do me at all

I've taken some wrong roads and I've lost track  
Of lovers who gave their hearts and then wanted 'em back  
So I need someone who needs someone too  
But spare me the memories if you're just passing through

Do me with love, don't do me wrong  
You know my heart's been broken too long  
And I've had one too many tears to fall  
So do me with love, do me with love  
Or don't do me at all

Do me with love, don't do me wrong  
You know my heart's been broken too long  
And I've had one too many tears to fall  
So do me with love, do me with love  
Or don't do me at all

Do me with love, do me with love  
Or don't do me at all
