Miracle Maker

Open Heaven

Saved,restored,in Your presence my Healer. I am healed whole in Your power Lord Jesus, I'm a child, I'm loved, there's no fear in Your kingdom.
I can stand tall
Because I know You are able.

You are the miracle Maker,
Open blind eyes in this place
Miracle Maker,
Pour out Your power Holy Spirit!
Right now, right here!
Miracle Maker,
You are the miracle Maker.

I belong in Your presence Lord Jesus,
Right here in Your arms,
So who can stand against us?
When You call us strong,
I know nothing is impossible,
The battle is won,
Because I know You are able!
You are able!

You are the miracle Maker,
Open blind eyes in this place
Miracle Maker,
Pour out Your power Holy Spirit!
Right now, right here!
Miracle Maker,
You are the miracle Maker.

You gave Your life so I could live!
You took my cross, You took my sin!
You took my grave and conquered death,
Now I am victorious,
I am victorious! (2x)

(Chorus 2x)
