

# Liquor And Love Lost

## Bring Me the Horizon

I thought i saw your eyes laced in smoke and cigarette curls

I thought I saw your eyes

But im seeing ghosts tonight.

She haunts me!

'til my bitter end

She haunts me!

I swear i heard your voice overwhelmed by conversation

I swear i heard your voice

but im hearing ghosts tonight.

Tonight the bars turn out there lights  
and i drink away the day as it decays

so much for living forever

so much for death do us part

She haunts me!

she haunts me!

she haunts me!

Every fucking NIGHT!
