Missing You

Steve Perry

Missing YouWhoa Im
Missing youThe hurt on your heart
Through your eyes it shows
The past can't relive
What we both knowStill I remember
Things I'll never miss
Memories around me
Won't let me forgetI was so wrong
The secrets not worth keeping
I had no faith that you would still believe
No now
My heart is in your keeping
Here I am
Missing youMissing youFeeling the dark
Stares from my wall
Your eyes in your picture
Won't let me goIf I could remember
How you felt the pain
The king of pretenders
Alone in shameI was so wrong
The secrets not worth keeping
I had no faith that you would still believe
No now
My hearts in your keeping
Here I am
Oh here I am
Missing you
Missing you
Whoa I'm
Missing youYou were there
And now I'm here
You gave much more than I did
I gave what I had to give
If I could you know I would
I'd make it up to you instead I'm
Missing youIn the place you used to be
You were lying next to me
Oh I'm
Missing you

Whoa I'm
Missing you
