

# Missing You

Steve Perry

Missing You Whoa Im  
Missing you The hurt on your heart  
Through your eyes it shows  
The past can't relive  
What we both know Still I remember  
Things I'll never miss  
Memories around me  
Won't let me forget I was so wrong  
The secrets not worth keeping  
I had no faith that you would still believe  
No now  
My heart is in your keeping  
Here I am  
Missing you Missing you Feeling the dark  
Stares from my wall  
Your eyes in your picture  
Won't let me go If I could remember  
How you felt the pain  
The king of pretenders  
Alone in shame I was so wrong  
The secrets not worth keeping  
I had no faith that you would still believe  
No now  
My hearts in your keeping  
Here I am  
Oh here I am  
Missing you  
Missing you  
Whoa I'm  
Missing you You were there  
And now I'm here  
You gave much more than I did  
I gave what I had to give  
If I could you know I would  
I'd make it up to you instead I'm  
Missing you In the place you used to be  
You were lying next to me  
Oh I'm  
Missing you

Whoa I'm  
Missing you
