We go Mighty Joe Young upside a hoe head  
And fuck her emotions, I want the whole bread  
I ain't payin' attention to what the hoe said That hoe can go 'head, if she ain't feelin' it  
She ain't goin' nowhere, she love how I'm drillin' it

Bitch you know you like that Let me do what I wanna do let me do what I feel  
C'mon ride sidesaddle with the king of the trill
