Fast and Beautiful

Dope Stars Inc.

i feel pretty
i knowwhen i use some make up
and i dress up nothing compares to
meand i try so different ways
finding out the
best for meand it's really hard to catch
a
shade of pure perfection
and you can't imagine how
much time
i spend to look this wayi feel pretty
i know
when i go downtown baby
hangin around
i feel pretty
i know
call me a fashion dandy
but i
don't care
i feel pretty
i knowwhen i use
some make up
and i dress up nothing compares to meand i can't find somebody else
looking
pretty cool as meand then everybody start
to
buzz about actions
but they don't realize to waste
their time
cause i don't fucking carei feel pretty
i know
when i go downtown baby
hangin around
i feel pretty
i know
call me a fashion dandy
but
i don't care
i feel pretty

i knowwhen i go downtown baby
hangin around
i feel pretty
i know
call me a fashion dandy
but
i don't care
i feel pretty
i knowi feel pretty
i knowi feel pretty
i knowwhen i go downtown baby
hangin around
i feel pretty
i know
call me a fashion dandy
but
i don't care
i feel pretty
i knowi feel pretty
i knowwhen i go downtown baby
hangin around
i feel pretty
i knowcall me a fashion dandy
but
i don't care
i feel pretty
i
i feel pretty
i
i feel pretty
i know
