Portrait of My Love

Geoff Love

What now my love?
Now that you've left me
How can I live through another day?
Watching my dreams turn into ashes
And all my hopes into bits of clay
Once I could see, once I could feel
Now I am numb, I've become unrealI walk the night without a goal
Stripped of my heart, my soulWhat now my love?
Now that it's over
I feel the world closing in on me
Here come the stars, tumbling around me
There's the sky where the sea should beWhat now my love?
Now that you're gone
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die
