Hunting High and Low

Stratovarius

I feel the wind in my hair
And it's whispering, telling me things
Of the storm that is gathering near
Full of power, I'm spreading my wingsNow I'm leaving my worries behind
Feel the freedom of body and mind
I have started my journey
I'm drifting away with the wind, I goI am hunting high and low
Diving from the sky above
Looking for, more and more, once again
I'm hunting high and low
Sometimes I may win, sometimes I'll lose
It's just a game that I playAfter the storm there's a calm
Through the clouds shines a ray of the sun
I am carried from all of my harm
There is no one that I can't outrunNow I'm leaving my worries behind
Feel the freedom of body and mind
I have started my journey
I'm drifting away with the wind, I goI am hunting high and low
Diving from the sky above
Looking for, more and more, once again
I'm hunting high and low
Sometimes I may win, sometimes I'll lose
It's just a game that I playI am hunting high and low
Diving from the sky above
Looking for, more and more, once again
I'm hunting high and low
Sometimes I may win, sometimes I'll lose
It's just a game that I playHunting high and low
Diving from the sky above
Looking for, more and more, once again
Hunting high and low
Sometimes I may win, sometimes I'll lose
It's just a game that I playHunting high and low
Hunting high and low
Hunting high and low
