Aren't You Glad

Spirit

Aren't you glad you're glad you're glad baby
Yes I'm glad so glad I'm that babyDon't you know you know you know baby
Yes I know I know it's so babyHeard you say you needed direction
But in your house the word is correctionAren't you glad you're glad you're glad baby
Yes I'm glad so glad I'm that babyDon't you know you know you know baby
Yes I know it's got to go babyStreets are yours you're feeling much bolder
But summer has gone we're all a bit older
nowYep!Aren't you glad you glad you glad baby
Yes I'm glad so glad I'm glad baby
Aren't you glad you glad you glad baby
Yes I'm glad so glad I'm glad baby
Aren't you glad you glad you glad baby
Aren't you glad you glad, babyOhNana nana nana nanaOne two three
Hey!
