

# It Means I'm In Love With You

## The Partridge Family

I can't sleep at night  
I ain't been eating right  
Just seeing you and me together  
Together We'll I've been skippin' down the cobblestones  
Talkin' to myself alone  
Sleepin' by the telephone  
And I like it Ever since we talked that night  
Flying like a summer kite  
My momma says I ain't been right  
I believe it 'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you  
'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you Got myself together if I say so myself  
Love is going to get me by, by  
Jack in the beanstalk  
Climbing all the way to the beautiful sky  
To the beautiful sky, to the beautiful sky 'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you  
'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you Got myself together if I say so myself  
Love is going to get me by, by  
Jack in the beanstalk  
Climbing all the way to the beautiful sky  
Beautiful sky, beautiful sky, beautiful sky, together 'Cause it mean if we're together if I say so myself  
Love is going to get me by, by  
Jack in the beanstalk  
Climbing all the way to the beautiful sky  
To the beautiful sky, to the beautiful sky I can't sleep at night  
I ain't been eating right  
Just seein' you and me together  
Together, together 'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you  
'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you 'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you  
'Cause it means I'm in love, I'm in love  
'Cause it means I'm in love with you  
'Cause it means I'm in love, I'm in love
