

Raspberry Beret

Prince & The Revolution

Yeah

I was working part time in a five-and-dime

My boss was Mr. McGee

He told me several times that he didn't like my kind

Cause I was a bit 2 leisurely

Seems that I was busy doing something close 2 nothing

But different than the day before

That's when I saw her, Ooh, I saw her

She walked in through the out door, out door

She wore aRaspberry beret

The kind U find in a second hand store

Raspberry beret

And if it was warm she wouldn't wear much moreRaspberry beret

I think I love her

Built like she was

She had the nerve 2 ask me

If I planned 2 do her any harm

So, look here

I put her on the back of my bike

And-a we went riding

Down by old man Johnson's farm

I said now, overcast days never turned me on

But something about the clouds and her mixed

She wasn't 2 bright

But I could tell when she kissed me

She knew how 2 get her kicks

She wore aRaspberry beret

The kind U find in a second hand store

Raspberry beret

And if it was warm she wouldn't wear much moreRaspberry beret

I think I love her

The rain sounds so cool when it hits the barn roof

And the horses wonder who U are

Thunder drowns out what the lightning sees

U feel like a movie star

Listen

They say the first time ain't the greatest

But I tell ya

If I had the chance 2 do it all again

I wouldn't change a stroke
Cause baby I'm the most
With a girl as fine as she was then(Raspberry beret)
The kind U find (The kind U find)
The kind U find (In a second hand store)
Oh no no
(Raspberry beret)
(And if it was warm)
Where have all the raspberry women gone? (She wouldn't wear much more)
Yeah (Raspberry beret)
I think I I think I I think I love her
(Raspberry beret)
No No No
No No No (The kind U find)
(In a second hand store)
(Raspberry beret)
Tell me
Where have all the raspberry women gone? (And if it was warm she)
(Wouldn't wear much more)
(Raspberry beret)
I think I love
