

# Pipedown

## Babyshambles

Oh Paddy, put the pipe down  
If you got the right sound  
If it's not the right sound  
Neither am I, oh my, oh my Do your sums  
Work out a fairer way?  
If it comes undone  
Just paper over the cracks  
And there ain't no turning back Oh, on the sun  
They make you out to be a tearaway  
Comes undone  
Oh, I just spoke to Matt  
Pat, they want the money back Ah, put the pipe down  
If you got the right sound  
If it's the right sound  
Oh my, oh my, oh my Do your sums  
Work out a fairer way?  
Can you play no fun  
Oh, what you think of that  
'Cause they wanted but? You better pipe down  
You got the right sound  
The pipe down  
Oh my, oh my, oh my Oh Paddy, put the pipe down  
If you got the right sound  
If it's not the right sound  
Neither am I, oh my, oh my Oh Paddy, put the pipe down  
If you got the right sound  
If it's the right sound  
Oh my, oh my, oh my
