

Bell Bottom Blues

Eric Clapton

Bell bottom blues, you made me cry
I don't want to lose this feeling
And if I could choose a place to die
It would be in your arms Do you want to see me crawl across the floor to you?
Do you want to hear me beg you to take me back?
I'd gladly do it because
I don't want to fade away
Give me one more day, please
I don't want to fade away
In your heart I want to stay It's all wrong, but it's all right
The way that you treat me baby
Once I was strong but I lost the fight
You won't find a better loser Do you want to see me crawl across the floor to you?
Do you want to hear me beg you to take me back?
I'd gladly do it because
I don't want to fade away
Give me one more day, please
I don't want to fade away
In your heart I want to stay Do you want to see me crawl across the floor to you?
Do you want to hear me beg you to take me back?
I'd gladly do it 'cause
I don't want to fade away
Give me one more day, please
I don't want to fade away
In your heart I want to stay Bell bottom blues, don't say goodbye
I'm sure we're gonna meet again
And if we do, don't you be surprised
If you find me with another lover Do you want to see me crawl across the floor to you?
Do you want to hear me beg you to take me back?
I'd gladly do it 'cause
I don't want to fade away
Give me one more day, please
I don't want to fade away
In your heart I want to stay I don't want to fade away
Give me one more day please
I don't want to fade away
In your heart I want to stay I don't want to fade away
Give me one more day please
I don't want to fade away

In your heart I want to stay
