Rollercoaster

The Gathering

Outrun the fight
I used to hide
in quiet placesI'll refrase my cry
For I would keep on wondering
the rest of my lifeYou're all moving too fast
My biggest fear is
that we'll never ever lastI know, it's not that easy
Let's hit the brakesDon't take no time
Unless there's a crime
to be committedI guess we lost our faith
While we stand and wait
until nothing ever happenI know, it's not that easy
Let's hit the brakes
