Morning Light

Jen Wood

Morning brings her white light
I lie awake by your side
Morning brings her white light
I lie awake by your sideBy your side
By your side
By your side
By your sideAm I now waking up?
I feel like I'm half asleep
I don't see the light bright
I feel dead, but they say I'm aliveOh, oh, oh
I'm alive
Oh, oh, oh
Bring us back to life
Oh, oh
Oh, oh, ohI don't want to die tonight
I have no choice to slip inside the circle
If we just try to fall through together
We'll be all rightWe fall through together
We'll be all right
We'll be all right
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh, ooh-ooh, ooh
