

Supa Freak Love

Primer 55

First time you ever talked to me
You say you just wanna do me
Yeah right go ahead talk shit
'Cause I know that ass could be toxic
So what I go ahead anyway
First time it leads to the next day
You're fine and oh yeah you're so sweet
Tell me is it okay I like to fuck
Yeah, that's what I wanna do
(Freak)
Creepin' up on you
(Freak)
Call you tomorrow
(Freak)
Hit it and go
(Freak)

(Freak)
Creepin' up on you
(Freak)

Hit it and go Oh shit there they go again
All night and into the mornin'
Steppin' up with a brand new punch line
Unique and oh ya you're so fine
