One Happy Christmas

Tammy Wynette

I heard the doorbell ringing as the clock was striking three
I though it could be Santa Claus and this is Christmas Eve
I hurried to the door to find out what was going on
There you stood smiling telling me that you come home
It's gonna be one happy Christmas one happy Christmas
You and me and all the children together round the tree
It's gonna be one happy Christmas one happy Christmas
Old Santa did remember and he brought you on to me
It's gonna be one happy Christmas
Old Santa did remember and he brought you on to me
