Freedom to Love (Atjazz Remix)

Incognito

We can have the sun, We can have the moon
We can have the walk on every sunny afternoon
Reasons to love
You give me freedom to loveThat is what you get, That is what you give
That is what you get, That is what you give
That is what you get, That is what you give
That is what you get, That is what you giveI a lie
Rise up into the sky
So you don't have to fight
And make it wanna be alright
AlrightYou give me strength to carry on
You are a shoulder to lead on all night
I'll do anything for you to make your dreams come true
I can't live without youWe can have the sun, We can have the moon
We can have the walk on every sunny afternoon
Reasons to love
You give me freedom to loveWe can have the sun, We can have the moon
We can have the walk on every sunny afternoon
Reasons to love
You give me freedom to loveGo away
Why is
I dream of you very night
I'm gonna make you feel alright
I'd do anything i do to make it all come true
Wait, i can't live without youWe can have the sun, We can have the moon
We can have the walk on every sunny afternoon
Reasons to love
You give me freedom to loveWe can have the sun, We can have the moon
We can have the walk on every sunny afternoon
Reasons to love
You give me freedom to loveRight on
Aye, oh oh
Can't you see?Give it up
Give it up
Aye, ohI say, go on
We got
Freedom, freedom i get freedom
Freedom, freedom
Freedom to looooooooove yeah,yeahWe can have the sun, We can have the moon

We can have the walk on every sunny afternoon
Reasons to love
