Luna Lune

Mia Doi Todd

Luna Lune
Let me see your other side
One you never show to the world
Show to meLuna Lune
You are all reflection
Sign, symbol, second nature
Reveal yourself to meLuna Lune, Luna Lune
Lay down and deep with me
In silent spaceHere you come and go again
Here you come and go again, awayLuna Lune
Let me see your other side
One you never show to the world
Show to me
