Go Big or Go Home

American Authors

Don't feel like going home
But all my cash is gone
Yeah, I got nothing to do tonight
I'm passed out on the floor
Up in the hotel bar
But it don't matter, 'cause I'm feeling fineI'm thinking life's too short, it's passing by
So if I'm gonna go at all
Go big or go(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go homeI gave the dice a roll
And then we lost control
You know we're lucky that we survived
'Cause when we jumped the ship
Oh, man, that boat, it flipped
But we should do it all again tonightI'm thinking life's too short, it's passing by
So if I'm gonna go at all
Go big or go(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go homeGiving my body all the things I need
Rescue me with a little whiskey
Staying out, don't need no sleep
I'll sleep when I'm dead, you can bury me
I'll sleep when I'm dead, you can bury meI guess I'm going home
'Cause all my cash is gone
I spent it all trying to feel alive

Go big or go(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go home
(Go! Go!)
Go big or go homeIt's getting crazy
We're gonna do some things that we won't forget
(Go! Go!)
Go big or go home
I'm going crazy
I'm gonna live my life, I got no regrets
(Go! Go!)
Go big or go home
