

# Tutti Frutti (Tom Trago's Crazy Days Remix)

## New Order

Tutti frutti  
Amore mio  
Tutti frutti  
No  
Non Ã" ancora il momento di entrare  
Non Ã" ancora il momento diLife is so crazy these days  
I don't know how to adjust  
Are we the master or slave?  
Do we need passion or lust?Are we just caught in the days  
So many words in a phrase  
Life is so crazy these days  
Life is so crazy these daysYou've got me where it hurts  
But I don't really care  
'Cause I know I'm OK  
Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel lowI'm paper in your hand  
I'm under your command  
And I'll never let you go  
'Cause you're that girlTutti fruttiI had a beautiful dream  
For a picture so serene  
But I don't know what it means love  
I just want your loveGeneration's lost in space  
Trying to find the human race  
We're living in a state of grace  
Where every scholar means a dollarAnd sometimes I just can't go on  
I feel like I'm a setting sun  
I know my eyes are burning bright  
I just need you to make it rightYou've got me where it hurts  
But I don't really care  
'Cause I know I'm OK  
Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel lowTutti fruttiYou've got me where it hurts  
But I don't really care

'Cause I know I'm OK  
Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel low You've got me where it hurts  
But I don't really care  
'Cause I know I'm OK  
Whenever you are there  
You take me to a place  
I always wanna go  
You always make me high  
Whenever I feel low Whenever I feel low  
Whenever I feel low  
Whenever I feel low  
'Cause you're that girl Tutti frutti Non mi interessa il nome vero  
Non mi interessa la vita reale  
Quella canzone  
E tu?  
Sei tutti I frutti
