

Little Moon

MacKenzie Bourg

Wake up,
Cold sweat,
With you on my shoulder,
I'd like to keep it that way.
You've got
My heart inside
Your hands,
But you know this.(chorus)
We've come so fast, there's so much space between
If only I could, wake from this dream.
I'll love you for all of your days,
I'd kiss you in so many ways,
I'd be your stars, and you'd be my
Little moon.
(You'd be my little moon.)Hold me,
So tight,
Inside your arms,
Cuz, I need you dear.
I'm lost,
When I look,
Into your eyes,
You've got to save me(Chorus)O-o-o-o-ooh (4x)
If I could wake up from this dream,
Wake up from this dream (4x)I'll love you for all of your days,
I'd kiss you in so many ways,
I'd be your stars, and you'd be my
Little moon
I'd be your stars, and you'd be my little moon.
