Transparency

D'eon

I just want to see your face
Doing this was a big mistake
I was told we would live forever
Now I wish I could just escapeI came back as a hungry ghost
And my body's what I miss the most
I don't wanna live forever
I just wish I could decomposeI just want to see your face
Doing this was a big mistake
I was told we would live forever
Now I wish I could just escapeI guess that we got it, can we want it?
Pay a small fee then get your fun for it
Would you come back as a good girl?
Would you follow me back to the real world?I know that our bodies are rotting in the cold ground
Somewhere in the wasteland, never to be seen again
I think about standing in the sunshine
Walking in the garden by the river like I shoulda beenOhh, do you think about it?
Ohh, do you wonder 'bout it?
Ohh, doesn't matter 'cuz we're gonna be here for a long time
Now what you think about that?Ohh, do you wanna be human?
Ohh, do you wanna make love again?
Ohh, well, I guess that's just the price you're gonna have to pay
For Transparency.I just want to see your face
Doing this was a big mistake
I was told we would live forever
Now I wish I could just escapeI came back as a hungry ghost
And my body's what I miss the most
I don't wanna live forever
I just wish I could decomposeWe're gonna be here for a long time. (X15)
