

# Saturation (Allen Walker Re-Write)

## Zoot Woman

what am I doing what will I see?  
an opportunity that isn't for me  
I can't take my eyes off you  
take my eyes off you  
give your eyes my view for a second I'm caught up in you appearing so free  
everything else I can take or leave  
I've tried to define... I'm making no sense  
can't stand by and wait for the consequence I can be anything that you want  
I can dream of the dreams that you want  
saturate every part of your life  
would you want it any other...  
other way what am I doing what will I say?  
an opportunity that isn't for me  
I can't take my eyes off you  
take my eyes off you  
give your eyes my view for a second I can be anything that you want  
I can dream of the dreams that you want  
saturate every part of your life  
would you want it any other...  
other way I can't take my eyes off you  
take my eyes off you  
give your eyes my view for a second
