

# The Whole World's Goin' Crazy

## April Wine

(myles goodwyn)

Published by goody two tunes, inc. - bmi Everyone's feelin' crazy, but no one takes the chance

When there's a knock on the floor, the whole world starts to dance

A fireman rushes over, he's got stretchmarks on his hose

And he punched out the light under everybody's nose Ooh, ooh, it's alright (it's alright), it's alright (it's alright)

Ooh, ooh, it's alright, yeah it's just alright The music was gettin' louder, until you could not hear a sound

So turn it up if you want when the record starts spinnin' around and around and around And you can dance on  
my face if you want to

It's alright, it's alright

And if you're feelin' much the same way as I do

It's alright, yeah, it's just alright

The whole world's goin' crazy, crazy, crazy, crazy, crazy

Hey baby, you wanna go crazy with me The ladies smoked the whiskey, and the butler ate the wine

New york, that's alright, but to keep it down more divine The whole world's goin' crazy, crazy, crazy, crazy,  
crazy

Hey baby, you wanna go crazy with me

And you can dance on my face if you want to

It's alright, it's alright (everybody)

Cause if you're feelin' just as crazy as I do

It's alright, yeah, it's just alright

Ooh, ooh, it's alright (it's alright), it's alright (it's alright)

Ooh, ooh, it's alright, yeah it's just alright
